## RÍAS BAIXAS PONTEVEDRA

Dirixímonos a Pontevedra, paseamos pola zona vella e o río Lérez; visitamos as Rías Baixas e estivemos en Combarro, un dos lugares máis emblemáticos; continuamos cara O Salnés e desfrutamos do Parque natural do Carreirón. Pola tarde, fomos en lancha bordeando as bateas de mexillóns ata chegar ao illote Areoso, espazo protexido que tivemos a oportunidade de coñecer da man dunha guía local.

O último día visitamos a Cidade da Cultura de Galicia, no que tivemos unha visita guiada, tempo libre para descubri-la, gravamos un programa para TVG e viñeron as autoridades a despedirnos...
